Dear Ridge Dance Families:

I hope you are well and having a great summer! Thank you all for your well wishes as we welcomed our second daughter, Juliana, into our family in June.

I understand questions have circulated regarding Ridge Dance Team, Ridge Dance Collective and the National Honor Society for Dance Arts. I know many of you are wondering what this upcoming year will hold for the Ridge Dance extracurriculars. At this point in time, I have been told by the administration that extracurricular activities are pending approval

If we are given approval, I anticipate holding Ridge Dance Team auditions virtually before the end of September if permissible. I also anticipate that registration for Ridge Dance Collective will be completed online before the end of September. The National Honor Society for Dance Arts annual informational meeting will likely be held virtually in October much like years past if we are given approval.

Once I receive more information regarding extracurricular activity approval I will send out a notice via the Friday Folder. This notice will include registration information, details regarding how the activities will run and other pertinent information. Thank you so much for your patience as we begin an unprecedented school year. I am on maternity leave until February 2021, but please email me if you have any questions at rmiranda@bernardsboe.com. I will respond to your email as soon as I am able. I wish you all good health and a great start to the school year!

Sincerely,

Rachel Miranda
